## INTRODUCTION

Clarence Valley Anglican School ("the School") is proud of its uniform and students are expected to demonstrate this pride through the way in which they wear it. As an independent school the uniform is a visible symbol of who and what we are. Expectations are high regarding the image we project as a community. We expect the uniform to be worn to and from school in a smart, tidy and respectable fashion.

The School uniform has been designed to be an easy care uniform featuring school colours of blue and gold. Items are for sale in the uniform shop, situated at the rear of Cathedral Campus Administration building. Our uniform provider is The School Locker and uniforms may be purchased on-line or directly from the outlet. Sports uniforms can be worn to and from school on designated days.

**If a student is unable to follow the Uniform Policy, a note from the student's parent must be given to the Class Teacher (Junior) or Tutor Teacher (Senior). If a student is unable to follow the Uniform Policy for more than five working days, approval from the Principal or Head of Campus must be sought by the parent.**

The school uniform and the sport uniform is not to be mixed and matched with each other, or with any other item of clothing not approved by the Principal. This includes whilst at school and in public.

Staff have a responsibility to enforce the Uniform Policy according to what is deemed acceptable.

The wearing of the School uniform:

- Encourages a sense of belonging to the School community
- Promotes School and House spirit
- Eliminates class distinction through a uniformed dress
- Promotes respect for self
- Provides protection against the environment
- Promotes the unity of the School in the Clarence Valley Community

It is expected that all students wear the School uniform with pride. Students must depart and arrive home in the correct uniform, including correct presentation regarding all items listed in this document.

Primary boys must always have their shirts tucked in. Secondary boys must also have their shirts tucked in and top button done up when wearing their winter uniform.

Short-sleeve shirts are not to be rolled at any time.

All buttons must be done up on the Senior Girl's shirt.

School shoes are to be polished regularly.

Skirt lengths must be modest and must not be rolled.

Under garments must not be visible.

**PLEASE NOTE:** The Winter uniform is not compulsory, but if worn, must be worn in its entirety. Be aware that winter uniform is only to be worn during Term 2 and Term 3.
