INTRODUCTION

Clarence Valley Anglican School (“the School”) recognises the importance of the relationship between home and school. The School also understands the importance of communication and feedback from the wider community. The School seeks to maintain effective communications with the community in order to promote a constantly improving, safe and supportive environment.

POLICY STATEMENT

The School seeks to maintain an open two-way communication partnership between the School and parents/the wider community. The School will maintain processes and procedures to ensure the School community is kept up to date and able to communicate effectively as and when required.

School staff will acknowledge any inquiries and requests from parents and the School community and welcome any questions or feedback.

Complaints and concerns are dealt with in the School Community Complaints Policy and School Community Complaints Procedure.
