

## Clarence Valley ANGLICAN SCHOOL

### 2021 BUSINESS NOTICE

#### Introduction

The purpose of this Business Notice is to let families know the fees and associated terms and conditions applicable to students attending Clarence Valley Anglican School. The School levies fees to recover the cost of providing educational opportunities to students, maintain existing infrastructure, and fund new equipment and facilities. School Council determines the level of fees each year before the commencement of the first term in the year to which the fees apply. A number of payment options are offered to assist in meeting fee commitments. Timely payment of fees is a condition of continuing enrolment and enables the School to satisfy its financial and operational commitments.

#### Statements

The School invoices families by statement prior to the commencement of each term. Fees for Year 12 students are invoiced prior to the commencement of Terms 1 to 3. Fees for all other students are invoiced prior to the commencement of Terms 1 to 4. New students commencing during the year are invoiced in the first week of attendance. Statements are emailed to families with paper copies mailed to families without internet access. Statements may be requested by emailing [accounts@cvas.nsw.edu.au](mailto:accounts@cvas.nsw.edu.au).

#### Enrolment Application Fees

A non-refundable Enrolment Application Fee of \$120 is payable when lodging an *Enrolment Application* form. **This fee is credited towards the first term's invoice if the application translates into a new enrolment.**

#### Pre-Kinder Fees

A daily fee of \$45 (**unchanged from 2020**) for attending Pre-Kinder is charged one term in advance at the same time as other fees and levies. The fee is payable irrespective of a child being absent for due to illness, injury or other reasons. Make-up days are not possible due to regular commitments of other children. Refunds are not provided if public holidays fall on enrolled days.

#### Tuition Fees

Tuition fees are **all-inclusive** and cover the core costs of teaching and instruction as well as additional items such as year-level camps, small excursions, sport, most textbooks, consumables and Chromebooks used in classrooms, NAPLAN tests, a pro-active Wellbeing Program and well-maintained facilities including a purpose-built Performance Centre.

#### Elective Subjects' Fees

Elective Subjects' Fees cover course-specific teaching and instruction costs, and program consumables.

#### Sibling Discounts

The late payment fee will be calculated using the Westpac Unsecured Personal Loan interest rate as amended from time to time. (This does not apply to families who are paying in agreed instalments or in some other agreed manner.)

### Debt Recovery

When fees remain unpaid and alternative arrangements have not been agreed in writing with the Principal and/or Business Manager, the School reserves the right to terminate the enrolment of a student and refer the matter to a debt collection agency for full recovery of fees owed and any charges incurred. A student enrolment terminated in this manner may only be considered for re-enrolment upon full payment of any debt.

### Leave of Absence

All fees remain payable during any leave of absence including illness or injury.

### Termination of Enrolment or Withdrawal of a Student

In the event of the enrolment of a student being terminated by the School, all fees and charges remain payable to the end of the term in which the student's enrolment is terminated. Continuing enrolment from one year to the next is assumed and the full term notice applies.
